TWO-WAY TEST IN MANHATTAN

Last spring, Sterling Communications' engineers tested an experimental two-way communications network, the precursor to a system whereby shopping, selling, polling, banking, television audience measurement and other services could be performed electronically. During the experiments, a ten-terminal, question-answer system utilizing modified CATV converters was operated throughout the Sterling Manhattan franchise area in the southern half of Manhattan.

In a series of tests, participating viewers were asked to cast a vote, register an answer to a multiple choice question, indicate choices for vacation literature after watching a travel commercial and to switch away from the cable channel they were watching to another channel of their choice. Their responses, made by pushing a button or combination of buttons on the converter were recorded instantaneously in the company studio.

Sterling Chairman Charles F. Dolan, in commenting on the experiments, said: "The first tests demonstrated that the concept of real-time viewer participation in television programming is capable of being brought to reality in homes served by cable television systems. Although two-way terminals were supplied only to a token number of our Manhattan homes," he added, "the interrogating pulses were transmitted instantaneously into all homes connect to the Sterling Manhattan system."

"Sterling Communications' engineers," Dolan continued, "are confident that the two-way capability can be extended to all cabled homes as new terminals are produced. Currently the company is completing arrangements for a 500-unit field test which will involve a Manhattan retailer, an educator and an opinion survey company. From these further tests, Sterling expects to determine which of the many possible applications for two-way terminals has immediate potential."

VOLUME II

NEW YORK CITY, AUGUST 13, 1971

NO. XV

We shall not be able to claim that we have gained total victory in this war if any vestige of Fascism in any of its malignant forms is permitted to survive anywhere in the world.

[FRANKLIN D. ROOSEVELT:
Message to Congress;
September 17, 1943.]

"With
Prejudice
and Hatred
For All"

If you think Nazis exist only in WW II movies, and such programs as "Hogan's Heroes," and swastikas are relics or something to laugh at, you weren't at the rally on 2nd Avenue between 84th and 85th Streets on Saturday, July 31 around 6 P.M.

It was held by the National Renaissance Party, a neo-Nazi organization, who hurled verbal vitriol at the onlookers, while under the protection of over 40 Tactical Patrol Force policemen.

As Americans, we are entitled to protection by the police, and to the right of freedom of speech, but where does free speech end and inciting a riot begin?

Not content to lambaste the Jews, their most frequent target, they also took out after blacks, hurling insults—to put it most mildly—at both groups with equal fervor. At least they showed no discrimination in deciding whom to insult to what extent—they tore into both groups with equal vehemence. That is probably the only good thing that can be said about them.

They set their platform up in front of a store owned by blacks, and proceeded to hurl their insults. Of the blacks, they said all of them should be expelled from this continent, and that the crime rate of the blacks was the result not of poverty or ghetto conditions, but of racial inferiority. Another Nazi, speaking loudly and incoherently, could make only three words understood to the listening crowd: Kike, Jew, and Nigger. He repeated these words again and again.

Turning to the Jews—or turning on the Jews—they informed the crowd that Jewish women are as free with their bodies "as pieces of meat," that the Jews are responsible for pornography, for the black

revolution, for the Communist revolution, for Hippies, Yuppies, the 'S.D.S., and Women's Lib.

Not all those who were listening were sympathetic. As the Nazis chanted "White Power, White Power, White Power!" and challenged and goaded passerbys to cross the police barricade, and yelled out the word "kike," an enraged youth ran up to the barricade. He was spit on and swung at by a Nazi. He swung back, and a scuffle ensued. Other onlookers began to get their licks in, and so, of course, did the Nazis. The youth was led away by the police, the barricades were extended, and the crowd was pushed back. The speeches became more militant, with the words "nigger" and "kike" becoming more frequent, replacing the words "black" and "Jew."

The black couple who own the store in front of which the rally was taking place had tried to drown out the speakers by setting up stereo speakers in front of the store, and playing soul music loudly. A young couple on the third floor of the building put their stereo speakers on the window sill and began loudly playing rock. The Nazis played German marching music, and drowned the others out. One of the Nazi speakers asserted that he hates certain Americans, with a passion. He pointed to the couple on the third floor.

The Nazis were egging on another member of the crowd, now, Alan Glass, Manhattan co-ordinator for the Jewish Defense League. They began exchanging words with the young man. Mr. Glass could not take any more of hearing the Nazis slandering the Jews and cursing him personally. Finally, he jumped the barricade.

One Nazi physically attacked him, and a brawl ensued, leaving a Nazi Party member with a wound in the back of his head, which later required stitches. Mr. Glass was arrested for felonious assault.

The rally ended at this point. It seemed the Nazis had accomplished their purpose. They had stirred up ill will, spread their slanderous gospel, and made a Jew to appear to be the bad guy. But they will be back. According to rumors, the Nazis will return soon. It might be enlightening for some of our local politicians to observe the next rally. Perhaps the F.B.I. could even take time off from some of its more

questionable activities, to listen and see the sort of trouble-making propaganda these people are disseminating, both verbally and in the leaflets they hand out.
(Example. "We have been forced to fight three bloody wars for which our nation gained nothing but . . . victory for World Communism." "We are daily subjected to movies, television programs, and literature that continuously belittle the strong, intelligent White Man and

glorify the weak, the effeminate, and the depraved, the Jew, and the Negro." "Jews . . . cold-bloodedly murdered . . . the best non-Jews trapped in the clutches of their horrible Communism in order to deprive the enslaved Gentiles of all intelligence, all courage, all devotion, and all morality." "(Jews) are using the Negro for two purposes: to degrade, corrupt, and mongrelize you and your children, and to form a trained-ape Red MauMau Army to protect the Jews in case you wake up before it is too late. They are establishing a cordon of Negro zombies to protect them in Washington . . . and New York . . . just in case we wake up before they take our guns away from us." "Einstein and Freud . . . contributed more confusion to the orderly progress of science than they have useful knowledge . . . Salk has produced a vaccine of questionable value.")

Are statements such as these, made verbally in public or distributed in printed form at a rally, truly an exercise in free speech? Or are they slander, and incitement to riot? Are the solutions they offer to the "black problem" in line with the American way of doing things—or are they an echo of Hitler's solution to the "Jewish problem" in the WW II era? If the Nazis wish to rid America of all blacks, and the blacks do not wish to be deported, will they next suggest that they have solution to any possible shortage of fuel for America's furnaces? And, if they wish to rid the entire American continent of blacks, what, then, do they propose to do

with the Jews, whom they seem to hate with even greater venom, if that is possible?

If the Nazis are entitled to the freedom to say all these things, in public—if they are—what rights do Jews and blacks have to defend themselves and their reputations from these people, and to defend their persons from the possible consequences of a sympathetic stirred-up crowd?

The next time you see an old WW II movie on TV, don't settle back too complacently to watch it. It's not all past history. It's not all quite so safely behind us.

NATIONAL RENAISSANCE PARTY

James H. Madole

On April 16, 1970, a source advised that the National Renaissance Party (NRP) was founded in 1949, by James H. Madole, who continues to serve as its National Director, and who completely controls the organization. The source advised that the NRP is headquartered in Madole's residence at 10 West 90th Street, Apartment 8, New York, New York, where weekly meetings, usually on Sundays, are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The Source advised that as of April 16, 1970, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

NK-T1, who has furnished reliable information in the past, furnished the following information on September 22, 1971:

On Saturday, September 18, 1971, the National Renaissance Party (NRP) held a rally in Journal Square, Jersey City, New Jersey, it began approximately at 2:00 p.m. There were approximately 150 people present at this rally.

62-83296-463
ENCLOSURE

NK 157-4778

The majority of the people in attendance were white. There were approximately 20 blacks present. Approximately half the people present were of school age.

There were 16 people who participated in the rally and identified themselves as members of the NRP. All 16 participants were white, 15 were male and one was a female. All 16 individuals wore uniforms similar to the German Nazi uniform.

One of the 16 individuals, who identified himself as [redacted] of the Independent Ku Klux Klan of New York, wore a white shirt with the insignia "Independent Ku Klux Klan".

b6
b7C

The United Klans of America, Incorporated, was chartered in 1961, in Georgia. Its aims and purposes are the promotion of Americanism, white supremacy, and segregation of the races. It is the dominant Klan group in the South with headquarters at Tuscaloosa, Alabama, and is currently active in several states.

Source described [redacted] (phonetic) as a [redacted] tall, [redacted] pounds, [redacted] hair, [redacted] eyes, approximately [redacted] years old, and wore a [redacted]. Source further stated [redacted]

b6

The 16 members of the NRP arrived at the scene of the rally in four separate cars at 1:45 p.m. They set up a portable speakers platform and a public address system. The public address system was housed in a green Renault car bearing New York State license tag HN 6406.

A white male identifying himself as James Madole, Leader of the NRP, stepped up to the speakers stand and announced that members of the NRP would be posted around the address system and the speakers platform and would defend the rally against anyone trying to disrupt the rally. Madole mentioned that the NRP believes in law and order, and does not advocate violence. The NRP supports the police. Madole said that all minority groups are organizing and causing chaos in American society. He spoke about racial relations and said that intergration does not work

Madole also mentioned the Attica incident and spoke in complete support of the guards attack actions. He said the NRP does not believe in brotherhood and is anti-Jew, anti-black, and anti-corrupt politician. Madole further stated that all races are not created equal, and that the white race is supreme.

Source stated ~~that~~ the next speaker identified himself as Ray Frankhouser and that he had been a member of the Ku Klux Klan since he was 17 years old. Frankhouser stated that white people in America have too much respect for the blacks. He said we live in a nation filled with lies and hypocrisies and controlled by corrupt politicians. He said we cannot let the tyrant government take over our lives. He said also that the NRP will fight and die for what it believes. He kept saying that the color of your skin will be your uniform.

Source stated that at this point a black middle aged man tried to storm the stage but was quickly restrained by city policemen and NRP members. The speaker then resumed speaking, he said "We are fanatics" meaning the NRP. He said the youth of this country have too much freedom.

~~X~~ NY The next speaker identified himself as Richard Bayer, member of the NRP. He said all blacks should be sent back to Africa. He mentioned that the NRP is going to do something about it soon. He said the NRP will not listen to any long haired idiots.

~~X~~ NY The next speaker identified himself as Louis Mostaccio, member of the NRP. According to the source Mostaccio repeated what the other speakers had said and stressed "the color of your skin will be your uniform". During his talk, people were heckling very loudly. A black man then embraced a uniformed city policeman, who was guarding the speakers platform and was quickly restrained. The source advised that this individual was the same person who tried to storm the speakers platform earlier in the rally.

Speakers who had previously spoken came back to address the audience for a second time. All speakers said approximately the same things they said initially. They all kept repeating the phrases: "White Power" and "The color of your skin will be your uniform". A black man attacked the speakers platform for a third time and was restrained. All speakers were very inflammatory in their speech. The audience appeared very hostile toward the NRP speakers and members. There were many hecklers in the audience.

NK 157-4778

A fourth incident occurred when an NRP member called a hippie-type youth a "Kike" a fight occurred and police restrained the youth and allowed the NRP member to depart the area in his car.

Source advised that the rally ended at approximately 4:00 p.m.

Investigation in this matter was predicated upon receipt of information from Source One, who advised on September 22, 1971, that a [redacted] identifying himself as a member of the National Renaissance Party (NRP), was observed on September 18, 1971, in Jersey City, New Jersey, driving an old model [redacted]

b6
b7C

The National Renaissance Party (NRP) was founded in 1949 by James H. Madole, who continues to serve as its National Director, and who completely controls the organization. The NRP is headquartered in Madole's residence at 10 West 90th Street, Apartment 8, New York, New York, where weekly meetings, usually on Sunday, are held. The program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

According to information from literature made available by Source Two on February 16, 1972, the NRP is the only organization out in the public streets facing the "Red Mobs" and risking their lives to preserve the white racial heritage of our European ancestors. The NRP's leader Madole, for 20 years, has predicted the now existing American catastrophe and built the NRP for the day when it would be needed to restore the grandeur of America.

The protest began at 1:00 PM and consisted of ten protestors marching on the sidewalk in front of 535 Fifth Avenue, New York City, New York. An American and two "thunderbolt" flags were carried by the marchers in addition to anti-Negro and anti-Semitic signs.

~~MEMBER OF SUBJECT ORGANIZATION~~

Roy E. Frankhouser of Reading, Pennsylvania arrived shortly after the march began and was wearing an olive drab Army-type raincoat over a black Nazi-type storm trooper uniform. Frankhouser removed the raincoat and marched with the others. At approximately 1:15 PM, Frankhouser was arrested by the New York City Police Department (NYCPD) officers of the 17th Precinct for two charges of disorderly conduct and one charge of violation of the New York State Military Law which specifically forbids the wearing of Nazi-type uniforms. Frankhouser's uniform is being held as evidence by the NYCPD.

On April 1, 1972, a confidential source, who has furnished reliable information in the past, advised that Frankhouser's arrest was given arrest number 1352 at the 17th Precinct in New York City. Frankhouser furnished his date of birth as November 4, 1939, and his residence as 133 South Fourth Street, Reading, Pennsylvania to the NYCPD.

This source also advised that Frankhouser will be furnished a hearing on April 11, 1972. This matter has been given docket number A 20767 in the New York City Criminal Court.

The building at 535 Fifth Avenue, New York City, New York, houses the Rhodesian National Tourist Board. The protest in front of this building lasted until 2:30 PM. Along with Madole and Frankhouser, the following individuals also participated in the march:

NATIONAL RENAISSANCE PARTY

On April 16, 1970, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director, and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, Apartment 8, New York, New York, where weekly meetings, usually on Sundays, are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 16, 1970, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

WHITE PARTY OF AMERICA

On May 28, 1969, a source advised that Karl Rogers Allen, Jr., continued as the leader of the White Party of America and that he, along with several other former members of the American Nazi Party (ANP), formed the White Party of America (WPA) during the early part of 1964 in order to advance the cause of the white man in the United States and eventually throughout the world.

This organization was officially launched on April 11, 1964, when it sponsored picketing in Washington, D.C.; in Richmond, Virginia; and Baltimore, Maryland, in opposition to civil rights legislation and civil rights demonstrations. Its national headquarters was transferred from 1216 New York Avenue, N.W., Washington, D.C., to 1019 King Street, Alexandria, Virginia, on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value and to publicize its program through pamphlets and similar media. The WPA has been inactive due to the lack of funds and its publications to date have been the April and May, 1964, issues of its official publication "The White Letter."

The source added that the WPA is still in the formative stage but it will uphold the Constitution of the United States and will always act within the limits of the law. He noted that the WPA will serve as a "home for people who want to preserve the white race" and cannot find a home for themselves in either of the major political parties in the United States.

The National Renaissance Party (NRP) is characterized
in the Appendix to this communication.

Referral/Consult

Karl Rogers Allen, Jr., is a former member of the
National Socialist White People's Party of Arlington, Virginia,
and leader of the now defunct White Party of America.

The National Socialist White People's Party
(NSWPP), also known as the American Nazi
Party, the World Union of Free Enterprise
National Socialists, the George Lincoln
Rockwell Party, was organized on February
26, 1956, at Arlington, Virginia, based upon
the concept of an international "National
Socialist" movement as espoused by the
German Nazi Party headed by Adolph Hitler.
The organization supports and follows the
line of hatred against Negroes, Jews and
communists through various propaganda media
seeking a legitimate dominant political party
in the United States and foreign countries.

ENCLOSURE

NATIONAL RENAISSANCE PARTY

The White Party of America is characterized in the Appendix to this communication.

A confidential informant who has furnished reliable information in the past advised on June 12, 1972, that approximately six individuals conducted a picket in the vicinity of the White House, WDC, beginning about 12:30 p.m. on June 10, 1972, to commemorate the anniversary of the Israeli attack upon the "Liberty" during the Arab-Israeli War in 1967. According to this source, those participating in the picket of the White House were: Karl R. Allen; [redacted] and one [redacted] representatives of the NRP; [redacted] a supporter of the National States Rights Party (NSRP); [redacted] a former supporter of both the NSWPP and the NSRP, and [redacted] a former supporter of the NSWPP who is presently affiliated with the National Youth Alliance.

A source has described the National States Rights Party as an anti-Negro, anti-Semitic white racist political party composed of past members of klan-type organizations and other right-wing groups.

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth for (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

Leaflets were distributed to passersby during the picketing which continued until approximately 1:30 p.m.

NATIONAL RENAISSANCE PARTY

At approximately 2:30 p.m., James Madole and several uniformed members of the "Security Echelon" of the NRP arrived and erected a platform from which Madole later spoke for about one hour. Madole's speech was an harangue against the Jews in general and denounced the Israeli attack upon the "U. S. S. Liberty" in particular.

The above source stated that the demonstration activities attracted a few "hippie and Jewish types" and interested passersby. No hostile confrontation or violence was observed. The demonstration reportedly ended at about 5:00 p.m.

The above information was largely corroborated by a second confidential informant who has furnished reliable information in the past.

Title-"Are Jews Behind America's Internal Revolution?"

"In the political field the Jew refuses the state the means for its self-preservation, destroys the foundations of all national self-maintenance and defense, destroys faith in the leadership, scoffs at its history and past, and drags everything truly great into the gutter".

Title-"Attention White Americans! To Hell With Jews and Blacks! Support the National Renaissance Party and Fight For Your Own Racial Interests!"

Title-"Did You Know?"

"That Anarchy, Nihilism, and Bolshevism are Jewish weapons to sabotage and destroy everything that is not Jewish?"

"That Jewish control of newspapers is total. They pull the strings through their having developed -Jewish department stores, supermarkets, furniture stores, etc?"

"That Jews are moving towards a world government(one-world) through the UN, with the capital to be in Israel?"

"That Jews are aware of their own vile, dirty, vase and filth low nature, and that they suffer from that complex-they bring everyone else down to their sick level-hippies, yippies, creeps-encouraging others to dress like slobs and be dirty and revolting?"

NATIONAL RENAISSANCE PARTY

On April 16, 1970, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, Apartment 8, New York, New York, where weekly meetings, usually on Sundays, are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 16, 1970, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

NY T-1
June 11, 1973

The NRP was founded in 1949, by JAMES H. MADOLE, National Director. The NRP is headquartered in MADOLE's residence, 10 West 90th Street, Apartment 8, New York, New York. This organization has been described as anti-Negro, anti-Semitic, and neo-Facist.

B. Officers

C. Objectives

Volume 22, Numbers 7 and 8, dated July and August, 1972, on Page one of the National Renaissance Bulletin, describes the NRP as "a political party devoted to the restoration of the American republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice."

II. ACTIVITIES

A. General Meetings

The NRP continues to hold its general meetings in the apartment of its National Director, JAMES MADOLE, Apartment 8, 10 West 90th Street, New York City. Meetings are usually in the evening and last from two to three hours. Main topic of discussion is anti-semitic, anti-Black, and pro-Facist in nature.

NY T-1

June 11, 1973

On March 6, 1973, at one of the above general meetings, eight individuals were present and discussed plans for future summer public rallies and meetings of the NRP.

B. Public Rallies

The NRP on an irregular basis, distributes bulletins and flyers at various locations throughout New York City. This literature is mainly of a right-wing extremist nature, setting forth hatred for Jews and Blacks.

NY T-1

June 11, 1973

On February 17, 1973, the NRP, led by its National Director JAMES MADOLE, met in Redding, Pennsylvania with other right-wing extremist groups for the purpose of uniting themselves in one common cause.

C. Literature

On February 2, 1973, NY T-1 made available a sample flier distributed by the NRP. The following is an excerpt from this flier:

"White men must organize in defense of their racial heritage! Militant Jews and Blacks are ripping America apart where terrorized whites flee to suburbia! Join the National Renaissance Party. A movement dedicated to 'White Power', and Western civilization!

"Attention White American patriots! Are you finally fed up with a 'government' that permits a minimum of 100 muggings a day in New York City alone, but merely slaps the culprits on the wrists when caught 'because your slimy politicians want the Negro vote...'. .

"Our public school system has been converted into a vast lunatic asylum wherein narcotics pushers apply their ware to your kids, your White children are robbed of their lunch money, sexually abused or mutilated in the public toilets, and taught by Marxist and anarchist Jew teachers to hate their country and spit upon the American flag....

"The Jews want Americans used as human cannon fodder in wars fought exclusively for Jewish interest; they are doves on Vietnam but hawks in all matters relating to Israel...

"Are you exhausted from paying hog taxes to keep a veritable army of Negro 'winos', drug addicts, bums, and whores on relief...

"Why tolerate this Afro-Semetic tourney in your life? You have nothing to lose but your Negroes and Jews."

"It was White Europeans, the Anglo-Saxons, Dutch, French, and Spanish, who brought civilization to the North American continent, not Zulus in war canoes or Jewish hock shop and loan operators.

NY 105-6112

"White man take back your country by force
and courage or prepare to wear the chains of slavery."

NORTHERN VIRGINIA

A. Local Headquarters

There is no organized chapter of the National Renaissance Party (NRP) located in the Northern Virginia area. [redacted] has been identified during 1972, in NRP publications as the "Organizer" of the NRP in the area. He has apparently done some organizing and several rallies have been held, however, no organization or chapter has developed. At one time, [redacted] reportedly had a number of persons who might be interested in affiliating with the NRP. Other reports have existed he has lost interest in establishing an NRP chapter in the area. As of December, 1972, no operating chapter had been established and no significant activities on the part of the NRP were being carried on in the area.

G. Activities

A summary of pertinent information regarding NRP activities in the Northern Virginia area is hereinafter set forth:

The "National Renaissance Bulletin", Volume 22, Numbers 11 and 12, November to December, 1971, official publication of the NRP, New York, New York, which was

NY 105-6112

apparently actually issued in early 1972, contained an article as follows:

"NRP and Klan Leaders Speak In Washington, D. C."

"We wish to deeply thank NRP organizer, CURTIS BRUEN, and Miss PAULINE MACKEY of the National States Rights Party (NSRP) for pooling their efforts in setting up a public meeting in the Virginia Room of the Mayflower Hotel in Washington, D. C., on December 5, 1971. Members of several different activist groups were in the audience which allowed our Party Leader, JAMES H. MADOLE, to make the personal acquaintance of many local patriots in the Maryland, Washington, D.C., and Virginia area. A local Security Echelon has now been set up in the Chesapeake Bay area wearing full NRP uniform and distributing large amounts of recruiting literature. Those local NRP people who are interested in active party work with the Security Echelon in Maryland and Virginia please write at once to: CURTIS BRUEN, Box 968, Alexandria, Virginia."

A source has described the NSRP as an anti-Negro, anti-Semitic, White racist political party composed of past members of klan-type organizations and other right-wing groups.

The "National Renaissance Bulletin", mentioned above, also contained a photograph of a group of men and bore the identifying caption: "Curtis Bruen Surrounded by Helmeted SE (Security Echelon) Men, Addresses An NRP Street Rally in New York City."

The following is reprinted from TIME -- July 7, 1967

U.S. COMMUNICATIONS SHIP "LIBERTY"

EGYPTIAN SUPPLY VESSEL "EL QUSEIR"

ARMED FORCES

One of those cases of misrouted orders and a tragic resemblance.

Inquest for Liberty

In the early June afternoon the eastern Mediterranean sky was clear, the sea calm. The U.S. Navy communications ship *Liberty*, a converted Victory freighter, was steaming west-northwest at five knots, about 14 nautical miles off the Sinai Peninsula. Seconds later, lookouts sighted jet fighters bearing in from the southeast at 7,000 ft. A rocket slammed into *Liberty's* port side amidships, igniting two 55-gal. gasoline drums; a bomb struck the starboard side. The planes, sweeping down in teams of two or more, raked the ship with crisscross rocket and machine-gun fire, riddling hull and superstructure with 821 hits.

No sooner had the planes retired than three PT boats appeared from the northeast, spraying *Liberty* with machine-gun fire and launching two torpedoes, one of which found its target. It tore a 39-ft. wound amidships below the water line.

Fragmentary Answers. The attacks ended 35 min. later, leaving 34 officers and crewmen dead, 75 wounded and two large questions unanswered. Why was *Liberty*, a sophisticated U.S. electronic spy ship monitoring both sides' communications during the Arab-Israeli war, cruising so close to the battle

zone? Why did the Israelis go out of their way to attack a neutral ship?

Last week, after a seven-day secret investigation, a Navy court of inquiry offered only fragmentary answers. Its summary pointed out that "U.S.S. *Liberty* was in international waters, properly marked as to her identity." A 5-ft. by 8-ft. U.S. flag flew at the masthead, must surely have been seen by three separate Israeli planes that surveyed the ship during the morning. Her name was lettered on the stern in English, which could hardly have been confused with the Arabic script on Egyptian ships. "The court produced evidence that the Israeli armed forces had ample opportunity to identify *Liberty* correctly," said the summary. But it added: "The court had insufficient information before it to make a judgment on the reasons for the decision by Israeli aircraft and motor torpedo boats to attack."

Holiday Ensign. Navy people had an unofficial explanation. The spotter planes in the morning correctly identified *Liberty*, they maintain, and Israeli intelligence in Tel Aviv even looked her up in *Jane's Fighting Ships*. But the word did not reach all patrolling jet pilots and PT commanders, who expected to find only Israeli or Egyptian ships in the area. Since *Liberty* bears a slight

resemblance to the Egyptian supply ship *El Quseir*, the Israeli commanders attacked. *Liberty's* U.S. flag was shot away during the air attack and the "holiday ensign" (7 ft. by 13 ft.) run up to replace it as the attackers bore in was obscured by flames and smoke. After their torpedo run, Israeli PT-boat commanders evidently realized their mistake and stopped astern of *Liberty* to signal, "Do you need assistance?" Premier Levi Eshkol learned of the attack, he wired apologies to Washington, and offered amends for "the tragic loss of life and material damage."

Ironically, the court reported that "early on the 8th, the Joint Chiefs of Staff had issued orders for *Liberty* to move farther from the coast, even though such a move would partially degrade her mission"—a mission never explained in the summary. The messages "were misrouted, delayed and not received until after the attack." Moreover, only three days earlier the Israelis had asked the Pentagon what ships it might have in the area in the coming week. Because of some mix-up, they got no reply, and apparently decided that the U.S. Navy was not operating in the area. After spotting *Liberty*, Israeli pilots and PT-boat skippers evidently concluded that they were attacking a disguised Egyptian ship.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY
Also Known As, THE AMERICAN NAZI PARTY,
AMERICAN NAZIS, THE GEORGE LINCOLN
ROCKWELL PARTY

The National Socialist White People's Party, also known as The American Nazi Party, American Nazis, and The George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolf Hitler. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

NY 105-6112

WHITE PARTY OF AMERICA

On May 28, 1969, a source advised that Karl Rogers Allen, Jr., continued as the leader of the White Party of America and that he, along with several other former members of the American Nazi Party (ANP), formed the White Party of America (WPA) during the early part of 1964 in order to advance the cause of the white man in the United States and eventually throughout the world.

This organization was officially launched on April 11, 1964, when it sponsored picketing in Washington, D.C.; in Richmond, Virginia; and Baltimore, Maryland, in opposition to civil rights legislation and civil rights demonstrations. Its national headquarters was transferred from 1216 New York Avenue, N.W., Washington, D.C., to 1019 King Street, Alexandria, Virginia, on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value and to publicize its program through pamphlets and similar media. The WPA has been inactive due to the lack of funds and its publications to date have been the April and May, 1964, issues of its official publication "The White Letter."

The source added that the WPA is still in the formative stage but it will uphold the Constitution of the United States and will always act within the limits of the law. He noted that the WPA will serve as a "home for people who want to preserve the white race" and cannot find a home for themselves in either of the major political parties in the United States.

"Some three car loads of Security Echelon men came from New York City to participate in the NRP's first open mass rally in Lafayette Park which is directly opposite the White House, on the afternoon of June 10, 1972. The rally was held to oppose American involvement in World War III through intervention on behalf of Israeli aggressors in the Middle East. KARL ALLEN of the White Party and ROBERT WARE of the NSRP in Washington and Northern Virginia contributed to the success both of the rally and a picket line which was placed in front of the White House prior to the opening of the NRP rally. Thanks must also be given to the local Washington - Northern Virginia unit of the NRP's uniformed Security Echelon under the leadership of CURTIS BRUEN."

"HERE'S YOUR new neighbors — courtesy of the Federal Government."

The Federal Government of the United States because of its total inner corruption and subservience to the demands of highly organized Jewish and Negro minorities CONSTITUTES A FAR DEADLIER THREAT TO THE SURVIVAL OF WESTERN CIVILIZATION IN BOTH NORTH AMERICA AND EUROPE THAN DOES THE COMBINED FORCES OF RED CHINA AND THE SOVIET UNION! Dumping millions of illiterate Black savages into the American educational system in 1954 has led to a lowering of American mental and ethical standards to a primitive jungle level. Now the cosher Liberal gang is seeking to build racially integrated housing developments in ALL-WHITE neighborhoods with a resulting increase in robbery, rape, narcotics addiction, and fear of going on the streets after dark on the part of honest White taxpayers. The Jews, however, scream bloody murder when their most pliable tool, JOHN V. LINDSAY, attempts to dump a load of Black welfare cases into a new project in the NEW JERUSALEM of FOREST HILLS. If White Gentiles complain they are called "bigots" or "hatemongers." ONLY JEWS ARE PERMITTED TO OBJECT! -- WHITE PEOPLE - WAKE UP AND PROTECT YOUR OWN INTERESTS!

National Youth Alliance is controlled by individuals who militantly promote White racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

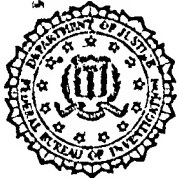

At about 3:00 PM, on June 10, 1972, the NRP rally began in Lafayette Park, Washington, D.C., and included approximately ten individuals who wore the NRP uniform. In an interview on April 12, 1967, at Chicago, Illinois, [redacted] advised agents of the Federal Bureau of Investigation (FBI) that he had been affiliated with the American Nazi Party during the previous two years but had terminated his association with that organization.

b6
b7C

[redacted] stated that he had become disenchanted with the American Nazi Party because he had not received the proper recognition, either in rank or in medals, for his service to the party. [redacted] advised that he had recently taken up with the International Workers of the World (IWW) and marched with the IWW during the Vietnam "peace" march on March 25, 1967.

The National Socialist White People's Party (NSWPP), also known as The American Nazi Party, American Nazis, and the George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolph Hitler. The organization supports and follows the line of hatred against Negroes, Jews and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

Previous investigation reveals that during his association with the American Nazi Party, [redacted] was arrested by the United States Park Police, WDC on [redacted] at Lafayette Park and charged with disorderly conduct, which charge was later nolle prossed. [redacted] wearing a sweatshirt decorated with swastikas, reportedly handcuffed himself to the branch of a tree during a civil rights demonstration in Lafayette Park and was forcibly removed by the Park Police. The first confidential informant mentioned above on October 26, 1972, made available a copy of the "National Renaissance Bulletin" (Volume 23, Number 3 and 4), dated March and April, 1972. The "National Renaissance Bulletin" is a publication of the NRP. This publication reported that the NRP held its first open-air political rally in Lafayette Park across from the White House on the afternoon of June 10, 1972. [redacted] reportedly, was present and took photographs of this event. It was further reported that [redacted] had [redacted]

b6
b7C

[redacted] Readers interested in joining in NRP political activity in the Washington area were invited to write to the NRP, Box 7310, WDC 20044.

On January 11, 1973, the informant last mentioned above furnished a copy of the May and June, 1972 issue of the "National Renaissance Bulletin" (Volume 23, Numbers 5 and 6), which described the NRP rally held at the Shirley-Duke Shopping Center, Alexandria, Virginia on August 26, 1972. Herbert Hillary Booker, II, who was identified in this publication as "our Washington, D. C. organizer", was congratulated for his part in setting up the rally in Alexandria.

[redacted] was interviewed on February 26, 1973, at his place of employment, [redacted] He stated that he is not a member of the NRP and does not represent that organization in WDC. [redacted] said that he is acquainted with James Madole, leader of the NRP, and that he had been asked by Madole to represent the NRP in the WDC area. He said, however, that he does not believe in the political philosophy of the NRP and has made it clear to Madole that he is not a member of the

b6
b7C

[redacted]

NRP and does not accept Madole's philosophy. He added that he believes those who follow the philosophy of the NRP are only hurting themselves, because this ideology has been tried and proved to be destructive.

[redacted] advised that there is no NRP unit in the WDC area to his knowledge and that he believes the entire organization consists of about twelve active members with a mailing list of about fifty or sixty individuals. [redacted] said that [redacted] is the only individual he knows of in this area who has been active in the NRP. He said that the reason Post Office Box 7310, WDC is carried in the name of the NRP is because this box formerly was rented by [redacted]. He said that although he receives literature from the NRP, he does not receive mail for the NRP at Post Office Box [redacted]. [redacted] reiterated that he is not a member of the NRP, although Madole might in his own mind consider him to be one.

[redacted] stated that he has attended demonstrations sponsored by the NRP in the past as a matter of personal interest. He said that at one of these demonstrations, he took photographs and provided Madole with copies of the prints. He advised that he met an individual named [redacted] (phonetic) at one NRP rally and gave [redacted] a ride from the rally site. He said that [redacted] whose first name is unknown to him, resided in [redacted]. He said that although [redacted] is a very big man physically, weighing about [redacted] pounds, he appeared to be paranoid about being publicly associated with activities of the NRP.

[redacted] advised that [redacted] contacts him occasionally, although [redacted] is aware that [redacted] believes the NRP to represent a "misguided" political philosophy. He said that in his opinion, [redacted] has a psychological problem because [redacted] feels that women consider him to be "inadequate". He said that [redacted] has a close personal

[redacted]

b6
b7C

relationship with [redacted] a retired school teacher who participates in right-wing activities in the WDC area. [redacted] said that he believed [redacted] relationship with [redacted] to be a mother-son type relationship.

b6
b7C

[redacted] further advised that he believes James Madole to be psychologically unbalanced insofar as his relationship with his mother is concerned. He said that although Madole is a middle-aged man, it is rumored that he still sleeps in the same bed with his mother and is referred to by his mother as "Sonny". He said that while Madole and his followers swagger about and pretended to be fearless he-men, he believes them to be physical cowards. He added that in his opinion, Madole admires him for his physical aggressiveness and willingness to fight for his beliefs. He said that he feels for this reason, Madole wants him to be a member of the NRP and will not accept [redacted] refusal to become a member.

b6
b7C

[redacted] During the interview on February 26, 1973, [redacted] mentioned some of his past associates in the NSWPP, including NSWPP [redacted]

[redacted] He said that [redacted] did not like him because [redacted] liked to consider himself an absolute leader and [redacted] had refused to accept [redacted] discipline. [redacted] said [redacted] has a psychological "hang up" with respect to women and is reputed to be a homosexual. He said he considered [redacted] to be the most aggressive of the NSWPP members with whom he is acquainted but added that [redacted] would back down when someone stood up to him on a one-on-one basis. [redacted] said that he occasionally sees [redacted] whom he described as [redacted] to assassinated NSWPP Commander George Lincoln Rockwell, and assumes that [redacted] is employed in the area where he works.

b6
b7C

[redacted] concluded that he does not subscribe to the NSWPP political philosophy and does not have current contact with any NSWPP members. He added that he believed most NSWPP members to be "effeminate" and physical

b6
b7C

[redacted]

b6

cowards and did not therefore regard them as "dangerous" in terms of a potentially violent political element.

NATIONAL RENAISSANCE PARTY

On April 16, 1970, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director, and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, Apartment 8, New York, New York, where weekly meetings, usually on Sundays, are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 16, 1970, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

National Renaissance Party

A characterization of National Renaissance Party is attached hereto.

On October 9, 1973, a confidential source, who has furnished reliable information in the past, advised that the National Renaissance Party held a street rally at the intersection of 31st Street and Ditmars Boulevard, Queens, New York, from approximately 7:30 to 10:00 pm, on September 28, 1973.

Source stated that a total of seven National Renaissance Party members were present.

Two speeches were given. The main speech which was the second one, was given by National Renaissance Party National Director J. M. Madole's remarks were basically anti-Semitic and anti-Negro. He tried to tell those listening that Jews run the country and also that it is a deplorable situation to have to live with Negroes. N.Y.

During the speeches, the other members present passed out National Renaissance Party literature. At the height of this activity, about 150 people gathered to listen to Modole. The New York City Police Department was on the scene and on one occasion quieted a vocal critic of Modole. No arrests were made.

The Bureau concurs with your selection of statutes utilized in the recommended predication but believes that the NRP philosophies can be more specifically set out so that its possible conflict with the cited statutes is more apparent. Accordingly, the suggested predication is being amended to read as follows:

This investigation is based on information which indicates that the NRP is engaged in activities which could involve a violation of Title 18, USC, Sections 241 (Conspiracy Against Rights of Citizens), 245 (Civil Rights Act, 1968), 231-233 (Civil Disorders), and 2101 (Riots).

The NRP was founded in 1949 by James H. Madole, National Director. The NRP is headquartered in Madole's residence, 10 W. 90th Street, Apartment 8, New York City. The NRP advocates a five-point platform which (1) allows U. S. citizenship to only mentally and genetically sound Caucasians (2) prohibits interracial marriage (3) deprives persons of Jewish descent of U. S. citizenship or of holding any professional, political or educational post, (4) would repatriate Negroes to independent black nations and (5) allows for selective immigration of European stock only. recent years the NRP has engaged in counter-demonstrations at such events as antiwar demonstrations, black power rallies and pro-Israeli events which have resulted in violent confrontations. NRP literature urges that "white men must organize in defense of their racial heritage" and admonishes that "white man take back your country by force and courage or prepare to wear chains of slavery."

The NRP has recently participated in jointly sponsored events with the National Socialist White Peoples Party (NSWPP), and the Ku Klux Klan. Leaders and members of the NRP have traveled to various states to participate in activities in furtherance and support of their goals.

As amended, the above three paragraphs should be utilized in those reporting situations necessitating predication, and when utilized regarding members or leaders, be coupled with a statement setting out the individuals' particular association with the NRP.

NOTE: New York submitted a suggested predication for NRP in view of the renewed activity by the NRP and increased contact with groups such as the NSWPP, and the Ku Klux Klan. New York predication amended to add specific information about NRP philosophy and activities which would more obviously bring it within the purview of the cited statutes.

SE OFFICER CURTIS BRUEN SPEAKS OUT FOR THE NRP IN NORTH CAROLINA

Curtis Bruen, a Section Leader in the uniformed Security Echelon (SE) of the NRP in our Washington, D. C. - Northern Virginia branch, had the crowning honor to be the first NRP official to speak at a meeting of White militants in North Carolina. On the afternoon of September 23, 1973 - the courageous and often martyred U.S. Marine LeRoy Gibson opened a meeting of the Rights Of White People (ROWP) near Holly Ridge, North Carolina. There were approximately 65 White patriots in attendance with delegates and speakers from the North Carolina Knights of the KKK, the National Youth Alliance, the NSWPP, and the National States Rights Party, as well as the NRP. The invocation was given by the Klud of the North Carolina Realm of the KKK. After this LeRoy Gibson gave a fiery oration to the attendant listeners. This patriotic hero has been arrested and placed under bond many times to discourage his fire brand activities in North Carolina. Two other Klansmen in full regalia and Mr. Biedermann, a youthful and competent officer of the NSWPP in Arlington spoke after Mr. Gibson. NRP officer Curtis Bruen rounded out the afternoon's engagement with an address on behalf of the NRP and seeking financial support for the ROWP and Mr. Gibson. Mr. Bruen's speech lasted 30 minutes in which he extolled the courage of Mr. Gibson and read excerpts from the NRP Program, gave the early history of the NRP, and explained the significance of our grey shirt uniform to the local folks. A motorcade was then formed to nearby Wilmington, North Carolina where Lawrence Little, Minister of Information for the ROWP is presently imprisoned in lieu of \$ 130, 000 bond.

His charges stem from various mysterious bombings of leftist enterprises in Wilmington-Jacksonville area of North Carolina. The White militants picketed the prison and gave a sum of money to aid Larry Little in making canteen purchases. The meeting was covered by radio, TV, and press on September 23-24. On the morning of September 24th a TV crew and reporters from Channel 12 went to Mr. Gibson's home and interviewed both he and Curtis Bruen, who was in full NRP uniform standing by LeRoy Gibson's side throughout the interview. Mr. Bruen furnished reporters with NRP literature. The whole affair was a fine demonstration of cooperation between patriotic American movements which are working for White self-determination in the USA.

Those organizations which are working for Aryan solidarity in North Carolina are:

- 1) LeRoy Gibson, ROWP, Box 761, Jacksonville, North Carolina.
- 2) Charles H. White, Fighting American Nationalists, Box 278, Hendersonville, North Carolina, 287 39

However, it should be noted that [redacted] has been selected to assume the position of [redacted] which should take place in the near future. b6 b7C

The National Renaissance Bulletin is the official publication of the NRP.

The Security Eschelon Commander of the NRP is described in NRP literature as the leader of the militant fighting army of that organization.

C. Objectives

Volume 24, Numbers 1, 2 and 7 through 12, dated July through December, 1973, on page 1 of the National Renaissance Bulletin described the NRP as "a political party devoted to the restoration of the American Republic, the preservation of American sovereignty and the establishment of American regime based on the principles of racial nationalism and social and justice".

D. Membership

The NRP is composed of between 15 and 20 members who attend meetings and NRP sponsored functions in the NY area.

II. ACTIVITIES

NY T-1
June 5, 1973

A. General Meetings

The NRP continues to hold its general meetings in the apartment of its National Director JAMES MADOLE, Apartment 8, 10 West 90th Street, NYC. Meetings are usually on Friday evenings and last from two to three hours. The main topics of discussion are anti-Semitic, anti-Black and pro-Facist in nature.

NY T-1
June 5, 1973

B. Public Rallies

The NRP on an irregular basis distributes bulletins and flyers at various locations throughout NYC. This literature is mainly of a right wing extremist nature, setting forth hatred for Jews and Blacks.

NY T-1
June 5, 1973

On Saturday, August 25, 1973, a rally was held at 7:30 PM at 31st Avenue and Steinway Street, Astoria, Queens, NY, and was attended by seven members of the NRP.

This rally was also attended by approximately 20 members of the American Communist Party (ACP) who proceeded to cause a disturbance by throwing eggs and shouting at members of the NRP. This rally lasted approximately one hour and was attended by approximately 100 bystanders but was broken up by police due to the disturbance caused by members of the ACP.

NY T-2
September 4, 1973

NY 105-6112

On September 28, 1973, the NRP held a street rally at the intersection of 31st Street and Ditmars Boulevard, Queens, NY, from approximately 7:30 PM to 10 o'clock PM.

At this rally a total of seven NRP members were present and two speeches were given. The main speech was given by NRP Director MADOLE which consisted of anti-Semitic and anti-Negro remarks. MADOLE told those that were listening that Jews run the country and that it is a deplorable situation to have to live with Negroes.

During the speeches other members of the NRP passed out NRP literature. At the height of the rally about 150 people gathered to listen to MADOLE. The New York City Police Department (NYCPD) was on the scene and on one occasion quited a vocal critic of MADOLE.

NY T-1
October 9, 1973

On February 16, 1974, Special Agents (SAs) of the Federal Bureau of Investigation (FBI) observed a demonstration of the NRP at 50th Street and Fifth Avenue, NY, NY. This demonstration took place directly in front of El Al Israeli Airlines, NY, NY, and the topic of the protest was the oil crisis within the United States (US). No incidents or arrests occurred.

C. Literature

On May 19, 1974, NY T-1 made available a flyer "White Power" which was distributed by the NRP. This flyer is representative of the type of flyer distributed by the NRP which contained the following excerpts:

"Are you exhausted from paying enormous taxes to keep a veritable army of Negro "winos", drug addicts, bums, criminals, and whores on relief (not to mention the administrators of these "anti-poverty" agencies who line their pockets with your hard-earned dollars)? Are you somewhat irritated when you see more and more high paying union jobs taken from Whites and given to Blacks by your conniving politicians. The work force in the construction, banking, brokerage, and insurance companies looks more than ever like an AMOS AND ANDY MINSTREL SHOW! Untold

JAMES H. MADOLE, Director NRP, NYC, and other members of the NRP traveled from NYC to Levittown, Pennsylvania, on December 8, 1973, to attend a fund raising dinner for Reverend ROBERT AMILES, who had been convicted for bombing a school bus in Pontiac, Michigan. The dinner was sponsored by the National Knights of the Ku Klux Klan, under the title of "Christian Unity Conference". The site where this fund raising dinner took place was Henrique's Dance Studio, Levittown, Pennsylvania.

THE FALSEHOOD OF POLITICS

LENIN CALLED IT HIS "MIGHTIEST WEAPON"

NO ONE can hope to be able to interpret and understand politics, whether national or international, who has not already penetrated and fully understood the potentiality of what Lenin called his "most powerful weapon" — the lie.

The lie is a powerful weapon because the great majority of people are honest. And people who are honest not only speak the truth and live the truth most of the time, but they habitually believe what they are told. The credulity of the truth-teller is a habit not easily broken.

On the other hand, habitual liars are not easily defeated by lies. One of the criminals involved in the Oppenheimer jewel robbery learned this to his cost a couple of years after his South African adventure, when he tried to execute an ingenious confidence trick on some Arabs in Tangier. It was their incredulity, their distrust, born out of their own untruthfulness and untrustworthiness, that landed the trickster in gaol.

Millions of people today, especially in the Western world, are politically disabled to a greater or lesser degree by an honesty that renders them dangerously vulnerable to the skillfully used lie. Being themselves free from guile they are utterly incapable of detecting it in another. Nay, they cannot even suspect something that lies altogether outside their understanding.

They are defeated, as it were, by opponents operating in another dimension of reality.

The average man — and that description often includes people in positions of great responsibility in the Western world — trusts and expects to be trusted.

This simplicity, this frankness, this naivete, this innocent trustfulness — the attributes of a race which has survived down the ages by bravery rather than by cunning — all these things have become a source of weakness in the world of today. They provide a rich soil in which the lie grows and multiplies in tropical luxuriance.

ART OF DISSIMULATION

When Lenin spoke about his "most

powerful weapon" he was not referring to the simple untruthful statement of fact, whether in speech or writing. That sort of lie is for schoolboys. Here there is always an element of danger, calling for some courage in the liar. Therefore it is not the kind of lie that exerts the most deadly influence in modern power politics.

Lenin was referring to the whole complex, marvellously recondite art of dissimulation in which even honest men are frequently involved, serving unwittingly as the most effective instruments of deception and betrayal.

Never is the lie more effective and more dangerous to a nation than when it is propagated by honest men who have accepted it as the truth and pass it on in good faith.

What happens almost invariably, therefore, is that weak minds and weak personalities are first infected, and these are then turned loose on the rest of the population; not only turned loose, sometimes, but organised into parties and political groups and richly supplied with funds.

In this way, falsehood is used as Weapon No. 1 against the national spirit everywhere. Let us consider briefly how it happens.

REACTIONS UNDER PRESSURE

In any nation at any time there are people who are strong and courageous and there are people who are weak and timid.

There are those who are inclined to endure the nervous tension, the pressure and even real danger to life and limb, in their determination to preserve their nation intact and along with it all the things they value most.

The others lack the power to resist hostile pressure. They cannot stand the nervous tension that is inseparable from any opposition of vital interests. Hence they are powerfully inclined to seek relief from the agony of tension by giving way.

Now here is a most significant fact: the weak man will never admit that he is weak. He will admit that he is not physically strong, but he will not admit that he is not

morally strong. The timid man will not admit his timidity, his chicken-heartedness. To do so would involve the collapse of his self-respect, the principle of integrity that holds his faculties together.

There are some things a man cannot admit to himself without destroying himself altogether.

As an individual, the man of weak spirit feels that his survival is threatened by the determination of the group to preserve itself and its values. Yet he cannot dissociate himself from his group. He cannot live without the emotional sustenance that his group provides.

So how is he to resolve his personal conundrum, except by trying to prevail upon his group to give way, to make concessions, to give up the struggle?

POLITICAL WEAKLINGS

It is most important that we should remember that the weak man in this context is the one who is politically weak. He is weak in respect of that complex of instincts, aptitudes and appetite for conflict which binds the individual to his society, rendering him willing to suffer and endure and even sacrifice himself entirely for that society.

Weak men of this class are always most numerous in the artificial environment of a great city and are found in the highest concentration among those commonly known as the "urban intelligentsia" — that is to say, people who by reason of an excessive specialisation in purely mental pursuits have suffered a certain loss of animal vigour and an etiolation of the instinctual side of their personalities.

The same qualities — or rather, lack of qualities — that make them poor human material in a hot war, make them poor material, too, in a cold war. In time of hot war they supply the pacifists; in time of cold war the prophets of doom and the ideological appeasers.

The presence of a substantial element of this kind inside a nation offers a wonderful opportunity to the enemy, whether it is an external enemy or an internal one.

How does he exploit this opportunity? He supplies the clever, instinctually etiolated ones with a rationalisation of their weakness, their pusillanimity! He "proves" to them that they are right, and even "good", and that the strong ones who are ready to go down fighting are foolish, and perhaps even wicked!

He gives to the weak element in the population an ideological justification, something it so desperately needs. In this way he makes weakness and timidity appear as proof of superior intelligence and virtue.

Nay, he will even undertake to "prove" that it is braver to submit than to resist!

In this way the enemy seeks to create division in the nation which, as the press and the danger increase, he hopes to be a

National Renaissance Party BOX 968 ALEXANDRIA, VIRGINIA (22313)

to widen.

How eagerly the politically weak grasp at this philosophy of self-justification!

The preservation of national integrity, like the preservation of a genuine individual integrity, is never easy. It is always the hardest way. And yet there is no other way if we are to preserve the things that make life worth having at all. The elite of every race has always preferred death to servitude — be it even a comfortable servitude. And it is only instinct that prompts us to risk all in order to preserve that without which life is valueless — our freedom as individuals and as a nation. On this issue, pure reason, as Shakespeare said, is a whore.

The politically weak one is unequal to the challenge. As he contemplates the field of conflict he is filled with distress.

Ah, but what is this thing that is offered to him? A philosophy, sustained by many excellent reasons: a philosophy that "proves" that it is wrong for a nation to insist on preserving itself; a philosophy that "proves" that the individual will find his highest fulfillment in an ideal of universal brotherhood that denies all national loyalties!

He finds it nothing less than a message of salvation!

GLOWING IMAGE OF HIMSELF

Now the weak man is allowed to see himself as a superior moral being, the man of the future, the pioneer of universal peace and brotherhood, a person towering over the rest of mankind in terms of intelligence and benevolence. Not surprisingly, he falls madly in love with the glowing image of himself.

He is now a Liberal. His thinking is Progressive. Other people are Reactionary. They belong to the past.

Here we see how weakness in a society is flattered and fostered and richly nourished, so that it grows and spreads throughout the nation like a cancer of the blood.

How much more rare and precious courage will be when weakness has at last been made respectable — nay, even admirable!

The weak have been persuaded that they are strong. Those most ready to run are taught that they should be leading. Those who have lost their nerve now believe that they have found a new enlightenment.

Was ever a more monstrous falsehood perpetrated on mankind?

This falsehood has even become for millions of people all over the Western world a new gospel. The gospel of Academic Humanism. The gospel of Socialism. The gospel of Communism. The gospel of World Government. The gospel of the ultimate enslavement of mankind.

In this way our enemies seek to destroy our nation, giving substance and status and respectability and material aid to those most inclined to yield to pressures which our own

enemies themselves apply.

These enemies of ours — are they also weak? No — They are strong ones using the weak for their own ends. Make no mistake about it, in the end it is the racial and national impulse that prevails.

One of history's greatest realists will vouch for that — Benjamin Disraeli. For Disraeli, later Lord Beaconsfield, says in *Endymion*: "No one must lightly dismiss the question of race. It is the key to world history and it is precisely for this reason that written history so often lacks clarity — it is written by people who do not understand the race question and what belongs to it. Language and religion do not make a race only blood doth that."

THE ONLY ISSUE

The racially weak ones, the idealists, the Liberals, the Progressives — call them what you will — are guided and sponsored and encouraged and financed at different times by International Finance and International Communism, but in the end only a race and a nation can win.

The only issue waiting to be settled in any historic opposition of forces is: Which nation? Which race?

The weak man, trying to preserve himself as an individual, betrays his nation and his race in a world struggle that is eternally national and racial. Nay, for the weak man the overthrow of his own race and nation has become the way of salvation, the ultimate justification, the be-all and end-all of his existence!

The weak man, sustained by a falsehood and haunted by the truth, has now become the perfect puppet, as helpless in the hands of Power as a piece on a chess-board.

And when it comes to the propagation of his miserable creed, what do we expect? Do we expect him to nail his flag to a mast, make a full and frank statement of a clear and consistent set of beliefs and invite a rigorous scrutiny of them? Of course not!

We expect what, in fact, we find.

Liberalism can live only by cunning. If all the genuine Liberals, the ones who have swallowed the lie and become one with it, if all these people who have found a personal salvation in the lie that their weakness is only a nobler kind of strength, if all these weaklings got together and formed a political party — that would be an honest thing to do, but it would be the end of them too.

The pattern of their tactics is repeated in many different countries: wherever they can they infiltrate other parties where their fanatical zeal and tireless energy gives them an influence out of all proportion to their numbers. Besides, they are always powerfully backed. They will join a party not because they subscribe to its principles but because they believe they can take over

control and change the principles. Meanwhile, of course, they have been received in all innocence as genuine members sharing the same views.

If the party they have penetrated continues to be regarded by the electorate as "conservative", so much the better, so much more effective the deception.

This is what has happened in the United States whose Democratic and Republican parties have been accurately described as a "two-ring circus" — two political parties under the management of a single set of political forces.

Their preservation of an emasculated conservative party (like the Conservative Party in Britain and the Høger Party in Sweden, to take only two familiar examples) is a brilliant piece of strategy, a masterpiece of their dissimulation.

Thereafter any real conservatives who dare to band themselves together and who have found a way of keeping out the political termites, are then branded as "Right wing extremists" and even worse. They are not nationalists, but "Fascists". Patriots are then contemptuously dubbed "Super-patriots"!

This phenomenon of genuine conservatives branded as "extremists" we see in the United States and in many of the European countries. The racially and nationally "sick" have captured all, or nearly all. Only small bridgeheads are retained by genuine patriots, the true custodians of Christianity and our Western European culture.

What makes our South African situation so interesting — to us and all the world — is that here the Liberals, and the men who back them, have suffered a major reverse. Here, by a quaint accident of history, there is a powerful trend flowing against them.

While in so many other countries they are still on the up-and-up, here, for several years, they have been on the down-and-down. That does not mean that they have ceased to represent a deadly danger. Far from it. Their undermining activities are prosecuted relentlessly and are bound to succeed in the end unless our nation remains fully armed in spirit and intelligence.

There is danger in supposing them defeated. There is worse danger in not knowing and acknowledging that mighty hostile powers lie in wait behind them.

It is in this reverse which the Applied Lie has suffered in South Africa that we must seek an explanation of a world-wide campaign of abuse and a vindictive ranging of forces against us.

South Africa, by rejecting the falsehood that lies at the heart of Liberalism, has put Liberalism and its moneyed sponsors in peril everywhere.

South Africa's ringing challenge and declaration of faith is like a trumpet blast outside the shoddy walls of a modern Jericho, built upon a foundation of lies.

The American Nazi Party - The World Union of Free Enterprise National Socialists was organized by George Lincoln Rockwell on February 26, 1956, based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolph Hitler. On January 1, 1967, the official name of this organization was changed to National Socialist White People's Party (NSWPP). The NSWPP supports and follows the line of hatred against Blacks, Jews and communists through various propaganda media, demonstrations and other publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries. NATIONAL RENAISSANCE PARTY

The National Renaissance Party (NRP) was founded in 1949 by James H. Madole, National Director. The NRP is headquartered in Madole's residence, 10 West 90th Street, Apartment 8, New York, New York. This organization has been described as anti-Negro, anti-Semitic and neo-Fascist.

A confidential informant, who has furnished reliable information in the past, advised on August 7, 1974, that James H. Madole was scheduled to appear on a radio show to be broadcast by Radio Station WLMD, Laurel, Maryland, between noon and 2:00 p.m. on August 17, 1974. Reportedly, Madole was to be interviewed concerning his political and racial views as leader of the NRP and answer questions telephoned in by the radio audience.

11/21/74
The above informant advised on August 19, 1974, that Madole had not arrived at noon on August 17, 1974, when Dennis Richards' show featuring Madole began. Richards commented, however, that several of Madole's supporters were outside the radio station attempting to gain admittance. According to the source, Richards filled in the time reading NRP literature which had been sent to him in advance by Madole.

11/21/74
The source stated that at 12:30 p.m. on August 17, 1974, Richards announced that he had agreed to allow Charles White, an NRP member and leader of the Fighting American Nationalists at Hendersonville, North Carolina, to represent Madole on the WLMD radio show. Richards

stated that it was supporters of White, rather than Madole's NRP "Storm Troopers", who were attempting to enter the radio station.

George Lincoln Rockwell, founder of the American Nazi Party, advised on February 23, 1961, that the Fighting American Nationalists (FAN) was an anti-communist organization formed in September, 1960. Rockwell stated that FAN was in consort with and guided by the American Nazi Party.

White also indicated that FAN planned to hold rallies and meetings in Arlington and Alexandria, Virginia.

Madole commented during the interview that the NRP has between 4,000 and 5,000 on its mailing list. He also mentioned that the NRP works with the Ku Klux Klan.

ReWFOairtel to Bureau dated 8/19/74.

Enclosed for the Bureau are two reels containing tape recordings of the Dennis Richards Talk Show on radio station WLMD, Laurel, Maryland, on 8/17/74.

The enclosed tapes are copies made by RICHARDS and furnished to SA [redacted] by Chief ROBERT M. KAISER, Laurel, Maryland, Police Department, on 8/20/74.

Baltimore is not submitting an LHM in this matter since WFO LHM dated 8/19/74, contains substantially the same information as that contained in the enclosed tapes.

The first tape starts with some comments by RICHARDS about his arrangement with JAMES MADOLE, leader of the National Renaissance Party (NRP), who was coming down from New York to appear on the show at 12:00 Noon and that these arrangements were at the request of MADOLE.

While waiting for MADOLE to appear, RICHARDS read part of the printed program of the NRP ridiculing most of it as he went along and at one point, intimating that the NRP and its hierarchy were a "bunch of fags".

At 12:30 P.M., when MADOLE had not yet appeared, CHARLES WHITE, who had been outside of the radio station with some followers trying to get in, was allowed to come on the show. WHITE identified himself as the national leader of the Fighting American Nationalists (FAN), Hendersonville, North Carolina, and as the North Carolina chairman of the NRP appointed to help out if needed in North Carolina.

WHITE's comments included statements that FAN is in favor of white power and racial separation and that FAN is working with some black nationalist organizations who want to set up their own nation. FAN will first try to get the blacks back to the Continent of Africa and, if this is not successful, they will then give them the State of Florida.

WHITE claimed about 400 members nationwide including about 50 women; 500 subscribers to the newspapers and about 7,000 sympathizers.

WHITE alleged he is opening units of FAN in Arlington and Alexandria, Virginia. He furnished the address of the organization as Post Office Box 278, Hendersonville, North Carolina.

RICHARDS openly ridiculed WHITE during the program commenting that "It is impossible to carry on an intelligent conversation with you".

The second tape contains RICHARDS' dialogue with JAMES H. MADOLE, who arrived a few minutes after 12:30 P.M., and [REDACTED] he had been lost on the way down. In answer to questions by RICHARDS, MADOLE claimed that he and eight others had written the program for the NRP. MADOLE disagreed with RICHARDS that he is filled with hate and stated that he enjoys what he is doing and believes in what he is doing.

BA 157-7137

MADOLE commented that it is about time someone stood up for the civil rights for white people. He said that when the NRP program takes effect, no blacks could be citizens and that the NRP encourages black movements to repatriate blacks to African countries even to the extent of helping to pay the cost.

RICHARDS remarked that on Tuesday he had had CURTIS BRUEN on the show at BRUEN's request and that BRUEN denied that he was an officer of the NRP. In answer, MADOLE identified BRUEN not as an officer of the NRP, but as an officer in the Uniform Security echelon of the NRP, the paramilitary staff whose purpose is to protect NRP meetings, et cetera.

MADOLE claimed 4,000 to 5,000, ~~not~~ all members who pay for subscriptions to the bulletin, and gave the organization's address as Post Office Box 10, New York, New York 20024.

RICHARDS was also very critical of MADOLE's philosophy, physical appearance and made the remark that he pitied MADOLE.

The enclosed tapes need not be returned to Baltimore and are being submitted to the Bureau for possible use as extremist matter training material since they contain a good portrayal of the white hate leadership mentality.

There were no remarks made either by MADOLE or WHITE which could be construed as being in violation of any Federal statute.

The Lyceum is a historical building in Alexandria, Virginia, primarily used in the past for the promotion of the cultural arts. It was recently refurbished with public funds for the same purposes. It is now being used partly as the Northern Virginia center for the celebration of the bi-centennial. It is located at Washington and Prince Streets, Alexandria, Virginia, across from the U. S. Court House, a main intersection.

On 4/7/75, [redacted] made information available as follows:

Since the building has been refurbished, a large room was established for the use of various groups at a nominal fee. A number of political, cultural, or social groups have used the facilities in the past for discussions, assemblies, parties or forums. About a month ago a very heavy set man with a slurred speech came in and wanted to obtain the room for use on 5/3/75. He gave his name as [redacted]. She said they began doing some checking and found out the organization was questionable. Since that time they have been trying to get out of the problem and do not want to permit [redacted] and his group, the NRP, to use the facilities. However, due to the newness of the re-opening of the Lyceum, proper guidelines for groups using the facilities have not been established. She stated they have "scratched" the NRP from the list of those using the facilities on 5/3/75, however, she does not know what the outcome of the matter will be because allegedly the facilities are to be available to groups on somewhat of a first come first serve basis.

b6

She continued the local press has learned about the matter and published an article in effect stating the Lyceum was going to be used by a KKKK group. She stated the matter is creating somewhat a furor and the management of the Lyceum is trying to get out from under the matter as quietly as possible without the matter breaking out into being a "cause celebre."

Alexandria will continue to follow this matter to determine if the facilities are definitely to be used and if used by the NRP or associates of [redacted] will cover same through established sources.

Cancellation Of Disputed Rally Sought

Virginia State Sen. Leroy S. Bendheim (D-Alexandria) has asked the states Bicentennial Commission to cancel a rally at the Northern Virginia Bicentennial Center in Alexandria at which two Ku Klux Klan members are scheduled to speak.

The May 3 rally is to be sponsored by the National Renaissance Party. Lee Burwick, a local member of the New York-based party said it is intended mainly to plan meetings in other cities.

Included in the party's statement of purpose, Burwick said, is devotion to "establishment of an American regime based on the principle of racial nationalism and social justice." He defined racial nationalism as "separation of the races."

Bendheim described the party as "an organization whose principles insult the sensitivities of a substantial group of taxpayers who contributed to the center."

A spokeswoman for the center, housed in the Lyceum building, at Prince and S. Washington Streets, said its 200-seat meeting hall is rented on a first-come, first-served basis.

The Bicentennial Commission has no direct authority over the center. However, one of its members, Harold Echard, director of the Northern Virginia Urban League, has threatened to quit if the party is allowed to use the building.

NATIONAL RENAISSANCE PARTY

The National Renaissance Party (NRP) was founded in 1949, by James H. Madole, National Director. The NRP is headquartered in Madole's residence, 10 West 90th Street, Apartment 8, New York, New York. This organization has been described as anti-Negro, anti-Semitic and neo-Fascist.

On April 30, 1975, a confidential informant who has furnished information in the past provided a leaflet announcing a "White Power" rally which is to be held on Saturday, May 3, 1975, at 7:00 P.M. at the Bicentennial Center, 201 South Washington Street, Alexandria, Virginia, under the auspices of the NRP. According to the source, this leaflet is being distributed in the Washington, D.C. - Northern Virginia area by [redacted] a local NRP activist.

ENCLOSURE

NATIONAL RENAISSANCE PARTY

According to the above source, the NRP rally on May 3, 1975, has attracted considerable attention in the local press and comments by local officials. Press reports indicate that a Virginia State Senator, Leroy S. Bendheim, has asked the state's Bicentennial Commission to cancel the rally at the Northern Virginia Bicentennial Center, since the principles of the NRP are said to be offensive to a substantial group of taxpayers who contributed to the center; however, the Bicentennial Commission reportedly has no direct authority over the center.

The source stated that the NRP plans to go ahead with the rally on May 3, 1975, and contemplates legal action if any effort is made by local authorities to cancel the event.

In addition to those individuals mentioned in the attachment, the source learned that efforts are being made [redacted]

THE NATIONAL RENAISSANCE PARTY

P.O. BOX 6251, ALEXANDRIA, VIRGINIA 22306

THE NATIONAL RENAISSANCE PARTY SPONSORS A "WHITE POWER" RALLY IN ALEXANDRIA, VIRGINIA!
WE INVITE DELEGATES FROM EVERY WHITE NATIONALISTS GROUP AND EVERY AMERICAN PATRIOT
WHO IS FED UP WITH GOVERNMENT SWINDLING BY POLITICIANS AND WELL ORGANIZED RACIAL
MINORITY GROUPS TO JOIN WITH US ON SATURDAY MAY 3rd.

An economic depression far worse than the misery and horror of 1929 is looming ever nearer on the American horizon and the plundering hordes of Democratic and Republican parasites, like a ravaging cloud of African locusts, are draining the Federal, State, and Municipal treasuries of the honest taxpayer's hard earned money. Crime runs rampant as Black savages realize they have nothing to fear from a weak and emasculated government that must beg for their votes! Over 8,200,000 Americans are facing bankruptcy as a result of massive unemployment WHICH YOUR GOVERNMENT LACKS THE NECESSARY POWER TO ALLEVIATE SINCE NEITHER THE BUSINESS TYCOONS OR THE LABOR CZARS WILL PERMIT PRICE AND WAGE CONTROLS!

We are going to organize and coordinate a series of open-air street rallies in every major American City on the Northeastern Seaboard this spring and summer of 1975. Sponsoring these rallies will be the NATIONAL RENAISSANCE PARTY and the KU KLUX KLAN and they will bring their joint forces by cars and vans into NEW YORK CITY, JERSEY CITY, TRENTON, BRIDGETON, NEW JERSEY, BALTIMORE, WILMINGTON, HARRISBURG, WASHINGTON, D.C. and VIRGINIA. WE CAN TAKE BACK THIS COUNTRY FROM THE ENEMIES AND PILLAGERS OF THE WHITE RACE (THE RACE WHICH CARRIED THE TORCH OF WESTERN CIVILIZATION FROM EUROPE TO NORTH AMERICA) OR WE CAN SIT BACK AND LET THE REDS MARCH VICTORIOUSLY THROUGH OUR CITIES!

When you receive this notice, contact all your friends, organize a car pool AND GET DOWN TO ALEXANDRIA, VIRGINIA ON SATURDAY, MAY 3rd. We want you to attend to see what it's all about. Then we would like you to join with us. Together we can build a better America! Attend the meeting. Or if you can't possibly do that at this time, at least learn more about us. It's your future too.

TIME AND PLACE OF THE ALEXANDRIA "WHITE POWER" RALLY & PLANNING SESSION

The "WHITE POWER" rally will be held at : THE BICENTENNIAL CENTER, 201 SOUTH WASHINGTON STREET, ALEXANDRIA, VIRGINIA, AT 7:00 pm. The Bicentennial Center is located on the corner of PRINCE STREET & WASHINGTON STREET. PLEASE TRY TO COME ON TIME AND BRING YOUR FRIENDS! There is a parking lot outside. NATIONAL RENAISSANCE PARTY

The National Renaissance Party (NRP) was founded in 1949, by James H. Madole, National Director. The NRP is headquartered in Madole's residence, 10 West 90th Street, Apartment 8, New York, New York. This organization has been described as anti-Negro, anti-Semitic and neo-Fascist.

On May 5, 1975, a confidential informant, who has furnished reliable information in the past, advised that a rally sponsored by the NRP was held on Saturday evening, May 3, 1975, at the Bicentennial Center, 201 South Washington Street, Alexandria, Virginia. The meeting began shortly after 7:00 p.m. and attracted a total of less than 50 people, including a contingent of a dozen or so newspaper reporters and photographers. The meeting concluded at approximately 10:30 p.m. without incident.

Madole, the first speaker of the evening, arrived at about 7:00 p.m., together with five or six of his Security Echelon (uniformed security section of the NRP). He was introduced by Gaylord Lee Burwick, local NRP activist who acted as Master of Ceremonies, and he talked for one hour on various racial and political ideology espoused by the NRP. Madole and other NRP speakers expressed indignation that Ku Klux Klan leaders, Reverend Ray Doerfler

of Pennsylvania and Jerry Green of southern New Jersey. who were scheduled to speak, failed to show up for the meeting. Madole indicated that he had always responded to invitations by the Ku Klux Klan to speak at Klan rallies and that he intended to end this "one-way" relationship with the Klan.

James Wagner, an NRP member, followed Madole on the rostrum and spoke for a half hour. He was followed by Schuyler Ferris, a well-known local right-wing activist, who was introduced as "Dave Hess" by Madole. Ferris gave a dramatic oration which lasted 40 minutes or more and had to be cut short by Burwick. Joseph Curtis Bruen, a local NRP Security Echelon leader, spoke briefly, and the program was concluded by Madole. The informant noted that Charles White, leader of the Fighting American Nationalists of North Carolina who was also a scheduled speaker, also failed to appear, as did Roy Frankhouser, extreme right-wing activist from Reading, Pennsylvania.

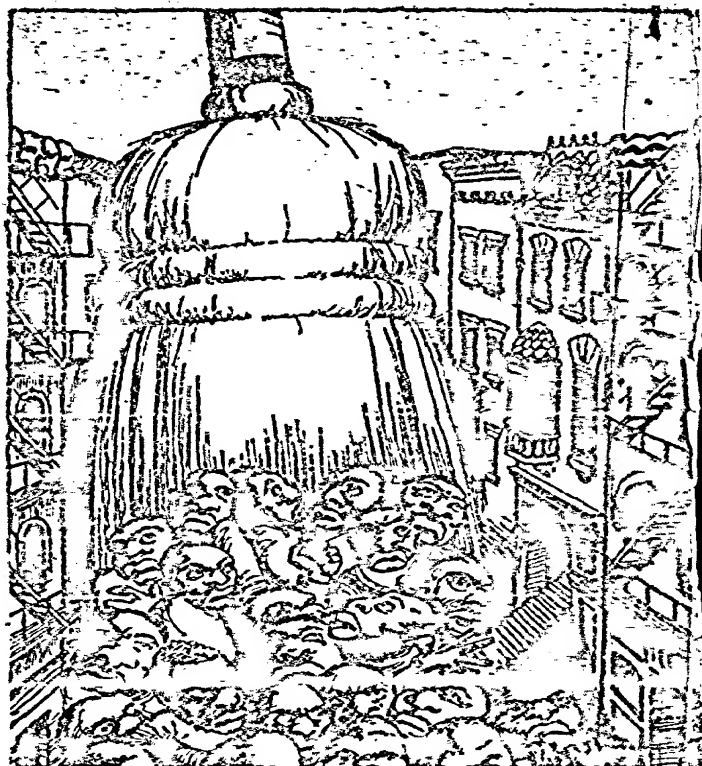

According to the above source, the attached leaflet and copies of the current issue of the "National Renaissance Bulletin", official publication of the NRP, were passed out at the rally on May 3, 1975. He said that an assortment of books and other literature was offered for sale.

The informant advised that [redacted] collected admissions of two dollars per person at the door, while [redacted] greeted attendees. He was unable to state the amount collected but presumed that all spectators (except members of the press) paid the two-dollar admission.

**ATTENTION WHITE AMERICANS! TO HELL WITH JEWS AND BLACKS! SUPPORT THE
NATIONAL RENAISSANCE PARTY AND FIGHT FOR YOUR OWN RACIAL
INTERESTS!**

Burning American towns and cities set aflame by blood-crazed Black militants, a completely wrecked public educational system burdened down with millions of illiterate Negro "students" whose favorite pastimes include peddling narcotics in the school corridors, extorting lunch money from terrorized White students, and beating up or raping the teacher, the disappearance of untold millions of dollars from Welfare and Relief agencies (all pilfered from productive White taxpayers to support racial minorities who consider themselves too proud to work for a living), and the fact that White Americans are unable to traverse the streets, and parks or ride in the subways of their own cities without fear of being mugged, sexually assaulted, or murdered—ALL THIS PORTRAYS A PICTURE OF THE UNITED STATES IN 1970! We keep silent in the name of tolerance and "good sportsmanship" while civilization fades to a jungle level on the North American Continent.

We allow dishonest, vote-seeking bureaucrats of the Democratic and Republican parties TO TAKE JOBS FROM WHITE MEN IN THE BANKING, INSURANCE, BROKERAGE, AUTOMOBILE, AND STEEL INDUSTRIES AND GIVE THESE DESPERATELY NEEDED SOURCES OF WHITE LIVELIHOOD TO COMPLETELY UNQUALIFIED BLACKS! The politicians fear a rebellion by militant Blacks SO THEY OFFER YOUR JOB AS A BRIBE TO A BLACK REVOLUTIONARY OR CRIMINAL. The police and the military are censured by corrupt politicians and Jewish "opinion-makers" if they arrest or imprison Negro criminals. There are no end of militant organizations fighting for Jewish and Negro interests BUT ONLY THE NATIONAL RENAISSANCE PARTY DARES TO DEMAND AMERICA'S RESTORATION OF THE PRINCIPLE OF "WHITE EUROPEAN SUPREMACY" UPON WHICH THIS MIGHTY NATION WAS FOUNDED. WHY SHOULD AMERICAN G.I.'S BE SENT TO FIGHT IN ANOTHER "HOLY WAR" TO PROMOTE JEWISH AIMS IN THE MIDDLE EAST? WHY SHOULD WE GIVE OUR HARD-EARNED TAX MONEY, DESTROY OUR PROPERTY VALUES, WRECK OUR EDUCATIONAL SYSTEM, LIVE IN PERPETUAL FEAR OF MUGGING AND CRIMES OF VIOLENCE ON OUR CITY STREETS, AND NOW SACRIFICE EVEN OUR MEANS OF LIVELIHOOD ON THE BLOOD-STAINED ALTAR OF "NEGRO EQUALITY"? TO HELL WITH JEWS AND BLACKS! LETS WORRY ABOUT CIVIL RIGHTS FOR UNDERPRIVILEGED WHITE KIDS IN APPALACHIA, LETS HAVE QUALITY EDUCATION FOR WHITE YOUNGSTERS WHO ARE THE "WAVE OF THE FUTURE", LETS HAVE ADEQUATE LAW ENFORCEMENT AND DECENT NEIGHBORHOODS CLEANSED OF BLACK CRIME. JOIN THE NRP FOR A WHITE AMERICA!

B. Officers

NY
The April, 1975, edition of the "National Renaissance Bulletin", official organ of the NRP lists JAMES MADOLE as National Director, RICHARD BAYER, as Secretary, and ANDREJ LISANIK as Security Echelon Commander. ^{of National Renaissance Party}

The Security Echelon Commander of the NRP is described in the NRP literature as the leader of the militant fighting army of that organization.

C. Objectives

Volume 26 of the National Renaissance Bulletin on Page 1, describes the NRP as "A political party devoted to the restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice".

On May 27, 1975, JAMES MADOLE at an informal NRP meeting held at 10 West 90th Street, NYC, discussed his beliefs and the goals of the NRP.

NY 105-6112

He stated that he firmly believed that the United States should be governed by a dictatorship in order to preserve it. He said that the direction the United States was presently going would allow the Communists to take over the government in ten years. MADOLE said he wanted to have the NRP ready, so that when the time is right, they can make an effective takeover, at which time set up a new governing body. He said the NRP did not consider using the present system of United States Government to accomplish any short term goals because he did not believe in the present form of government and he wasn't going to conform to it.

MADOLE continued by saying that he is concerned that the Jewish and Black population are responsible for, and are at the root of the major problems in the United States. He said the solution of the problem is the "removal of the roots".

II. ACTIVITIES

A. General Meetings

The NRP continues to hold its general organizational meetings in the apartment of its National Director JAMES MADOLE, Apartment 8, 10 West 90th Street, New York City. Meetings are usually held every other Friday during the evening hours and last about three hours. During these meetings, plans for future NRP sponsored events are discussed and there is ordinarily much talk relative to the dangers of Jews and Blacks.

B. Public Rallies

The NRP, on an irregular basis, has held outdoor rallies at various locations in New York City during the summer months. On September 10, 1974, JAMES MADOLE advised A Special Agent of the FBI that their activities have been sharply curtailed and the NRP has substituted literature distribution in its place.

C. Literature

On June 6, 1975, the NRP distributed the attached flyer at 86th Street and 3rd Avenue, New York City, between 8:00 PM and 10:00 PM.

A political party devoted to the restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice

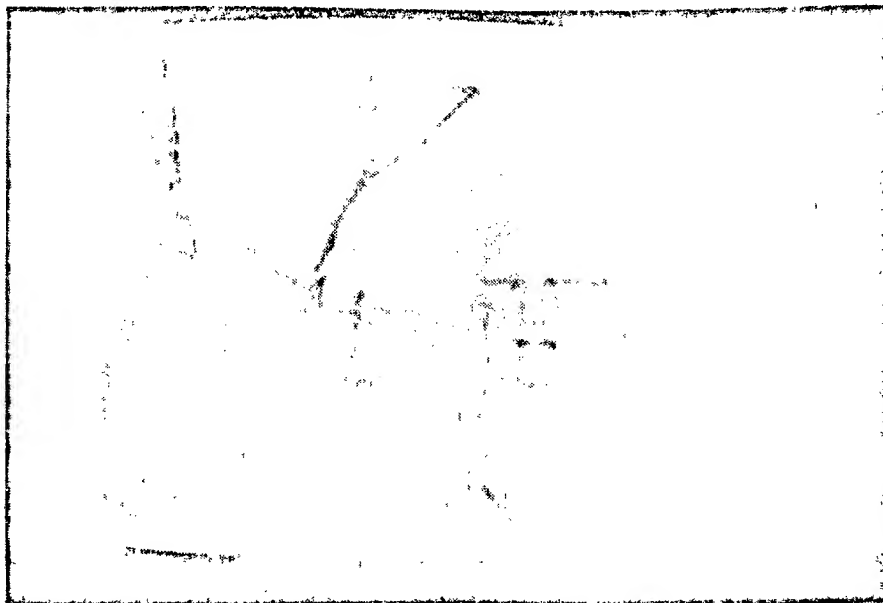

NRP PARTICIPATES IN NATIONALIST UNITY MEETINGS IN PENNSYLVANIA AND VIRGINIA

NRP Leader James H. Madole is reaching hundreds of thousands of Americans across our Nation by means of cable TV!

PA: On December 7, 1974 the NRP sent delegations ^{aka Jerry Greene} from New York and Virginia to participate in a Racial Nationalist Unity Rally sponsored by the Bucks County unit of the Ku Klux Klan in Levittown, Pa. Speakers were Rev. Ray Boerler from Trenton, New Jersey, ~~Jerry Greene~~ the KKK leader in Southern New Jersey, Albert Bailey, the chief of the Bucks County, Pa. branch of the KKK (a veteran of 50 years with the KKK), and J. H. Madole; Leader of the NRP. Louis Mostaccio, a veteran of 21 years with the NRP's uniformed Security Echelon, received ^{PA NY} a medal from the assembled Klan leaders for his loyalty and devotion to the cause of Racial Nationalism in the USA. A sumptuous feast

followed in which members of both organizations drew closer together in order to dispel the miasma of distrust which infiltrating enemies of the Aryan Race seek to stir up within the ranks of sincere fighting patriots. When Klansmen find that NRP members do not come equipped with horns, tails, and pitchforks and conversely NRP members find that Klansmen are not "mad bombers", "witless incendiaries", or "uncouth rednecks" as they are commonly depicted by government stooges, TV thrillers, and Jew-sponsored Hollywood smut movies like "The Klansman" - then the bonds of Aryan Racial Solidarity, friendship, and mutual cooperation between two militant organizations will be permanently cemented and the road to a Government based on the fundamental pillars of WHITE SUPREMACY AND PERSONAL INTEGRITY WILL BE PAVED!

Mr. Madole emphasizes on TV that the golden dream of materialistic capitalism is dying and that a new order based on a PAN-ARYAN spiritual and political creed will arise in USA!

Total collapse of the vaunted system of laissez-faire Capitalism inextricably linked with a corrupt and decadent parliamentary government composed of grafters, swindlers, outright thieves, and senile political mediocrities (euphemistically known as the President and Congress of the USA) hovers like a starving vulture of doom over the factories, stores, homes, and families of Average Joe American! Who will pay the mortgage on his little home in Suburbia when the nice job he thought so secure vanishes like the morning mist? How will his family stick together when the unemployment and welfare checks dry up? Who will keep the hordes of Black and Hispanic riff-raff from burning and looting American cities when this dying government can no longer pay them off with funds extracted from productive White taxpayers? Our Leader, J.H. Madole, predicted over a decade ago that when America could no longer mount brushfire wars in Korea and Southeast Asia our Capitalist Economy would collapse like a pricked balloon and millions of carefree Americans would be plunged into the fiery hell of total bankruptcy and stark anarchy! Our final depression will make the untold misery of 1929 appear like a Sunday School Picnic in contrast.

The gang of foreign agents known as the Zionist Lobby pull out all stops to elect their paid stooge, Senator Henry (Scoop) Jackson, President of the USA on the Democratic ticket in 1976. Unfortunately, they will be unwittingly aided in their dastardly attempts to use American youth as cannon fodder to secure Israel's existence by the Catholic majority in the Conservative Party, the John Birch Society, and other reactionary, anti-Communist groups. Many Fundamentalist Protestants in the American Party and the George Wallace Movement will also hitch a ride on the anti-Communist bandwagon and find themselves in the somewhat dubious company of Meir Kahane's Jewish Defense League, the Anti-Defamation League of B'nai B'rith, and the American Jewish Committee. The Soviet Union and the Arab States will play the new villains of 1976 instead of Nazi Germany, Fascist Italy, and Imperial Japan - since even the Jewish casting directors for the new super-extravaganza entitled, "World War III Or The Decline And Fall Of The American Empire", realize that Hitler, Mussolini, and Hirohito are becoming a wee bit threadbare after being overworked in their roles as "world villains" for 30 years since World War II. Americans are still well cast in their perennial roles as good natured, though not overly bright, typical Christians who "love all those who spitefully abuse them" (particularly Jews since everyone knows "The Holy Bible" proclaims them as "Gods' Chosen People" and "The Good Book" must be accepted in blind faith). Thus all wars to defend "Gods' Chosen People" must be "Holy Wars" and good Christians dare not withhold their sons from the glorious death awaiting them in the Middle Eastern meatgrinder LEST GOD BOOT THEM IN THE ASS FOR THEIR UNHOLY ATTITUDE !

Watch for increasing attempts by Zionist apologists to blame America's "Energy Crisis", possible gas rationing, and skyrocketing layoffs in the automobile industry at the doorstep of the Arab Oil-Producing Nations. We may even be urged by prominent TV commentators like the Zionist, Dr. Martin Abend, of Channel 5 (WNEW) fame - to openly seize either the Libyan Oil Fields or those belonging to the Arab Emirates on the Persian Gulf by armed force even if it means a direct confrontation with the Soviet Union! Americans must remember that foreign Jews are squatting on Arab Palestinian soil which was seized by armed force with the total consent of the U.S. Government in 1948! How would Americans feel if a horde of European and Asian Jews, armed with first class weaponry made in Soviet Russia and Red China, grabbed sections of Massachusetts, New York, New Jersey, and Delaware proclaiming this stolen territory as "The New Jerusalem", and then began dumping Gentile Americans from these annexed land grabs into neighboring states still under the U.S. flag?

No Anti-Semitic Bank Deals: U.S.

WASHINGTON (CS-T) — The federal government has warned all national banks in the country to "scrupulously avoid" foreign investment deals requiring them to discriminate against Jews, the Chicago Sun-Times has learned.

Controller of the Currency James E. Smith last week advised the presidents of the nation's 5000 federally chartered banks that bank examiners would be on the lookout for exclusionary offers in order to "assure the adherence of national banks to a nondiscriminatory policy."

Smith said his office "has recently learned that some national banks may have been offered large deposits and loans by agents of foreign investors, one of the conditions for which is that no member of the Jewish faith sit on the bank's board of directors or control any significant amount of the bank's outstanding stock."

Add to this the further indignity of having Soviet Russia and Red China immediately recognize this pirating of American soil and their threatening us with military intervention if we tried to rectify this terrible wrong to our people and you will understand why the Arab Rulers instituted a crippling oil embargo against those national states which blatantly supported Israeli aggression in the Middle East !

The greatest threat to continued Jewish sovereignty over the minds and purses of the American public lies in the massive influx of Arabian and Iranian capital into key industrial enterprises, banks, and real estate in the USA! With untold wealth in oil revenues the Shah of Iran and diverse Arab Emirs, Sheiks, and private Moslem businessmen are buying up or purchasing major blocks of stock in such firms as Daimler Benz and the Krupp Works in West Germany and Pan American Airways in the USA! Several smaller American daily newspapers have been approached with an eye to presenting the Arab viewpoint to native Americans. The pouring of billions of dollars into a tottering American economy at this critical stage could actually dethrone World Jewry from their positions in key areas of International Banking and the Communications Media thus breaking their paralyzing hold on the mind and politics of Aryan man in the West! Those European and American financial institutions receiving lucrative investments in Moslem States have already been told to remove all Jews from their governing boards. The Jews are using their stooges in the U. S. Government to enforce "anti-discrimination laws" against federally chartered U.S. banks that might otherwise be sorely tempted to ditch their kikes for hard cash. Americans will not choose to go broke for World Jewry! They are very avaricious and once World Jewry is stripped of its golden vestments (during the death throes of parliamentary government in the West) the entire world will view the final eclipse of this tenacious parasite. The Shah of Iran and the Moslem lands of the East may prove the ultimate salvation of the Aryan West!

On February 1, 1975 the NRP sent an impressive delegation from both New York and Virginia to participate in another Nationalist Unity Rally held in Wilmington, Delaware. The meeting was set up by John Duffy, a former officer of the National Youth Alliance. At the very last moment there were attempts made to sabotage this rally by officers of the National Youth Alliance; namely Dennis Nix of the NYA and a Christian religious zealot by name of Jerome Heinemann who meanders like a wandering Jew from the National States Rights Party to the Wallace Movement to the National Youth Alliance. Mr. Heinemann has sent letters refusing to participate or aid right-wing rallies in which Mr. Madole or his "anti-Christ NRP" take part. These friendly epistles have been mailed to Klan leaders in the past. We can only suggest that Mr. Jerome Heinemann meet Mr. Madole on a platform at any of these rallies and test his powers of debate on any subject (religious or otherwise) face to face and let the overwhelmingly Christian Klan audience determine whom they would prefer to have address them in the future! We challenge Nix, Heinemann, or any of their Holy-rolling cohorts, to come out of the woodwork, cease sabotaging efforts at Racial Nationalist Unity, and beat down Mr. Madole's unworthy knowledge and beliefs with their superior "Christian" wisdom before an impartial audience! Although the NYA delegation walked out, refusing to share the platform with Mr. Madole, several leaders of the United Klans Of America (including George Boyle of the

D. Miscellaneous

The November 27, 1974 edition of the "New York Post" on page 10, in an article entitled "UN Bomb Case: Local 'Fuehrer' Testified" sets forth the following:

"When James Madole speaks publicly, it is usually to a handful of enthusiastic supporters or sometimes to a much larger crowd of hecklers.

"But yesterday, the self-proclaimed 'fuehrer' of the National Renaissance Party had a different kind of audience in a small, crowded Manhattan federal courtroom.

"Madole, 43, was testifying as a government witness in the trial of Michael H. Brown, charged with attempting to bomb the Meditation Room in the UN last August.

"Brown, 32, an insurance salesman from Berea, Kentucky, was linked to right-wing extremist groups at the time of his arrest but there have only been oblique references to his political affiliations during the first two days of his trial.

"One of these references was made by Madole when he described a brief meeting with Brown in early August shortly before the defendant allegedly placed five sticks of dynamite under a bench in a room used for meditation at the UN. The explosives failed to ignite and were discovered by a UN security guard.

"Madole said the meeting had taken place in his apartment at 10 W. 90th Street, where they discussed 'old mutual friends'.

"Assistant U. S. Attorney Andrew Schaffer asked Madole if these mutual friends were 'political associates' and the witness replied, 'Yes, for the most part'. But that was as close as he came to mentioning their political affiliations.

NY 105-6112

"Another witness testified about a second scheme Brown allegedly also planned.

"Harvey E. Wittenmore, a friend of Brown's, said that the defendant had approached him last spring with a plan to 'destroy statues' in Washington, D.C., with a battery-operated saw. But the witness pointed out that there was no such tool in existence as far as he knew.

"James Glass, Jr., an FBI agent, also testified that after Brown's September arrest in Berea, he had heard the defendant mutter, 'This just goes to show that he can't make any moves against the commies in New York City and get away with it'.

"Brown was indicted under a law that makes it a federal crime to attempt to injure foreign officials or destroy their property. He also is accused of conspiracy and transportation of explosives across state lines with the intent to kill or injure persons.

"If convicted on all four counts, Brown could receive maximum prison sentences totaling 25 years.

"The trial resumes today before U. S. District Judge Lawrence W. Pierce. The government is expected to rest its case after several more witnesses."

On May 5, 1975, a rally sponsored by the NRP was held on Saturday evening, May 3, 1975, at the Bicentennial Center, 201 South Washington Street, Alexandria, Virginia. The meeting began shortly after 7:00 PM and attracted a total of less than 50 people, including a contingent of a dozen or so newspaper reporters and photographers. The meeting concluded at approximately 10:30 PM without incident.

MADOLE, the first speaker of the evening, arrived at about 7:00 PM, together with five or six of his Security Echelon (uniformed security section of the NRP). He was introduced by GAYLORD LEE BURWICK, local NRP activist who acted as Master of Ceremonies, and he talked for one hour on various racial and political ideology espoused by the NRP. MADOLE and other NRP speakers expressed indignation that Ku Klux Klan leaders, Reverend RAY DOERFLER of Pennsylvania and JERRY GREEN of southern New Jersey, who were scheduled to speak, failed to show up for the meeting. MADOLE indicated that he had always responded to invitations by the Ku Klux Klan to speak at Klan rallies and that he intended to end this "one-way" relationship with the Klan.

VA. JAMES WAGNER, an NRP member, followed MADOLE on the rostrum and spoke for a half hour. He was followed by SCHUYLER FERRIS, a well-known local right-wing activist, who was introduced as "Dave Hess" by MADOLE. FERRIS gave a dramatic oration which lasted 40 minutes or more and had to be cut short by BURWICK. JOSEPH CURTIS BRUEN, a local NRP Security Echelon leader, spoke briefly, and the program was concluded by MADOLE. The informant noted that CHARLES WHITE, leader of the Fighting American Nationalists of North Carolina who was also a scheduled speaker, also failed to appear, as did ROY FRANKHOUSER, extreme right-wing activist from Reading, Pennsylvania.
